BHARAT DEF-SPACE AUTUMN INTERNSHIP 2026

PROGRAMME OVERVIEW

The Bharat Space Education Research Centre (BSERC) is pleased to announce the Def-Space Autumn Internship 2026, a flagship 6-week intensive online programme under the national Def-Space Education and Innovation initiative.

Aligned with the Viksit Bharat @2047 vision and the Atmanirbhar Bharat commitment to technological self-reliance, this internship empowers students and young researchers to contribute directly to India's growing defence, space, and deep-tech ecosystem.

Building on landmark space-sector reforms and a strong push for innovation-led growth, the programme connects academic learning with real-world challenges in defence technology, space science, and emerging technologies.

In the spirit of National Space Day (23 August), Def-Space Autumn Internship 2026 offers a structured, mentor-guided platform for the next generation of Indian innovators, engineers, and scientists to explore, design, and build solutions that advance the nation's strategic technology goals.

ELIGIBILITY & SELECTION

The Def-Space Autumn Internship 2026 is designed to identify and nurture high-potential talent from diverse academic backgrounds. Students and enthusiasts from all streams of Science, Engineering, Mathematics, and Technology are encouraged to apply. bharaticollege.org

Who Can Apply

- Everyone
- Undergraduate students: B.Tech and equivalent programmes
- Postgraduate students & researchers: M.Tech, MSc, PhD and related fields
- Working professionals: With a strong interest in space and defence technologies

Upcoming Def-Space : Autumn Internship & Technical Training Program.

The Government of India, under the visionary leadership of Hon'ble PM Shri Narendra Modi, has initiated groundbreaking reforms in the space sector. These reforms aim to promote and advance space education, research, and development in our country. Following the successful of National Space Day event held on 23rd August, 2026, an AI Accelerator Workshop was conducted across universities and official Departments. In continuation, The BSERC has launched a Autumn internship technical training program - 2026 for all (Space Education & Employment).

Autumn Internship - Technical Training Program Schedule Table: The course work for the program is as follow.

Technology	Date	Time
Aircraft DesignTechnology	9th October to 11th October	5:00 PM Onwards
Advanced Drone Technology	16th October to 18th October	5:00 PM Onwards
Helicopter Design Technology	23rd October to 25th October	5:00 PM Onwards
Robotics	30th October to 1st November	5:00 PM Onwards
Project	2nd November to 15th November	
Certification and Evaluation	22nd November
